## Alexander Aiken To Compete at North American Challenge Skate Series

Atlanta FSC member **Alexander Aiken**, Intermediate Men's silver medalist at the 2006 U.S. Junior Championships, has been selected to compete at the Pittsburgh North American Challenge Skate series on August 24 - 27. He has also been named to the 2006 - 2007 U.S. Figure Skating Developmental Team and will receive supplemental funding of \$1,500 to enhance his training.

The North American Challenge Skate events began in the summer of 1996 and are jointly sponsored by U.S. Figure Skating and Skate Canada and conducted in accordance with existing U.S. Figure Skating/Skate Canada regulations for novice and junior events in ladies, men, pairs and ice dancing. NACS events are open to eligible skaters from U.S. Figure Skating, Skate Canada and invited guests from the Mexican Federation. All athletes are named to compete by their respective national association. Each association determines specific eligibility criteria for its own skaters through its own selection process.

NACS events give young competitors their first taste of international experience as members of Team USA. Former gold medalists at NACS events include Sasha Cohen, Bebe Liang, Johnny Weir and Evan Lysacek.
