Aiken Places Fifth in Pittsburgh North American Challenge Skate

Atlanta FSC member **Alexander Aiken**, intermediate men's silver medalist at the 2006 U.S. Junior Championships, placed fifth overall among a field of 12

U.S. and Canadian novice men at the Pittsburgh North American Challenge Skate on August 24 - 27. Aiken won 4th place in the short program and 5th in the free skate in his first international assignment. Congratulations, Alex!

2007 Eastern Sectional Championships - Tickets, Sponsorships, Volunteers

Discounted Tickets

Advance discounted all-event tickets, which include all practice sessions and competition events, are available for purchase at a cost of \$20.00 through

October 6.

Patron Sponsorships, Program Advertising Opportunities

The Atlanta FSC is offering individual patron sponsorships in the minimum amount of \$25.00. These funds will be used to defray the costs of hosting the event, including ice time, competitors' gifts, and coaches and officials hospitality and transportation. Patron sponsors will be acknowledged in the official program and will receive two one-day tickets and a certificate of appreciation.

The club is also including business advertising in the

official program, which will be delivered to hundreds of fans, competitors and coaches. This forum is an excellent opportunity to introduce your products or services to an affluent base of prospects. Advertisers may also distribute materials at the registration desk.

Volunteers Needed!

If you are interested in volunteering, please submit the form by October 31. Volunteers will receive a ticket for the day(s) worked pending seating availability. All volunteers must be 15+ years of age to serve on Tuesday through Friday. Adults only (18+) may serve on Saturday. Seating is expected to be limited on Saturday, so advance ticket purchases are strongly encouraged to ensure admission into the secured arena.

All forms are available online at www.afsc.us.
